Oruro Carnival 2027

Booking & Cancellation Terms | Silver & Premium

We look forward to sharing Oruro Carnival with you on **Saturday, February 6, 2027**. Before booking, please take a moment to review these terms so you know exactly what to expect.

1. Booking & Payment

Your booking is confirmed with a minimum **50% deposit** of the package price. The remaining balance must be paid no later than **10 days before the event (January 27, 2027)**.

If the balance is not received by this deadline, your booking will be cancelled automatically. The deposit will not be refunded, and your place may be offered to another traveler.

2. If You Need to Cancel

More than 10 days before the event: We will refund **25% of the amount you have paid**. The remaining 75% is retained to cover operational reservations for transportation, grandstand seating and meals, as well as administrative costs.

10 days or less before the event: Payments are non-refundable. The same applies if you do not attend the tour.

How is your refund calculated? It is based on what you have actually paid, not on the full package price. For example, for a USD 200 package, if you paid a USD 100 deposit, your refund would be USD 25. If you paid the full USD 200, your refund would be USD 50. These examples apply to cancellations made more than 10 days before the event, before any applicable bank or payment fees.

3. Changing the Traveler's Name

Plans change, and we understand. You may transfer your entire package to another person by notifying us **in writing** and providing the new traveler's full details by the following deadlines:

Silver: At least 5 days before the event. **Premium:** At least 7 days before the event.

If we are not notified within the applicable deadline and the original traveler does not attend, no refund will be issued.

4. Requests & Refund Fees

Please email cancellation and name-change requests to **rpereira@bolivianfullexplorer.com**, including the traveler's name and booking details. This helps us keep a clear written record of your request.

Only bank charges and payment or refund processing fees that were actually charged and cannot be recovered will be deducted from any refund. Before processing it, we will share an itemized breakdown and confirm the net amount you will receive.
